MOTION TO ACCEPT LATE-FILED COMMENT

Cisco Systems, Inc. ("Cisco") hereby respectfully submits this motion to accept late-filed comments in the above-captioned proceeding.¹ On June 6, 2005, Cisco filed a comment on a Petition for Waiver filed by Remington Arms Company, Inc. Cisco believed that it was correctly responding to a Public Notice, DA 05-1289, issued by the Commission on May 5, 2005, announcing that the docket number for this proceeding would be ET Docket No. 05-182. However, the Commission released an Erratum (with no DA number) on May 9 announcing that the docket number for this proceeding would be ET Docket No. 05-183. Cisco Systems did not see that Erratum. As a result, on June 6, Cisco timely filed in the first-announced docket. As of

¹ Public Notice, Office of Engineering and Technology Declares Remington Arms Company, Inc. Request for a Waiver of Part 15 To Be A "Permit-But-Disclose" Proceeding for *Ex Parte* Purposes, ET Docket No. 05-182, DA 05-1289, released May 5, 2005, The docket number was subsequently corrected by an Erratum issued May 9, 2005 to ET Docket No. 05-183.

today, our comment is posted in 05-182 on the Commission's web site instead of in the correct docket.

Cisco is today re-filing its comment in the correct docket. Other than changing the docket number and noting the erratum in footnote 1, our comment is identical to the one filed on Monday. Given the lapse of less than 48 hours since the filing date, our immediate re-filing when the error was brought to our attention, and our good faith efforts to file in what we thought was the correct docket, we respectfully request that our comment be considered along with other parties filing in this proceeding.

Respectfully submitted,

CISCO SYSTEMS, INC.
